FROM THE PRINCIPAL'S DESK

Sheth N.K.T.T. College as an institution blends traditional learning with transformation. For over 35 years, the college has upheld a legacy of academic excellence, consistently nurturing generations of learners. Today, with more than 4,000 students on its rolls, the institution stands as a vibrant academic community committed to quality education and holistic growth. In keeping with the vision of the National Education Policy (NEP), our institution has embraced academic autonomy and curriculum flexibility. This enables us to design learner-centric programmes that are interdisciplinary, skill-oriented, and aligned with evolving industry requirements. Students

are empowered to make informed academic choices, fostering both intellectual depth and practical competence.

A strong emphasis is laid on experiential learning. Structured internships, on-the-job training, and industry collaborations ensure that students gain real-world exposure alongside classroom instruction. Our dedicated placement initiatives have facilitated successful career pathways for many of our graduates. This academic year, our college hosted a large-scale Job Fair with the participation of over 60 reputed companies, significantly enhancing recruitment opportunities. To further strengthen employability, the college offers 25+ skill-based certificate and diploma courses designed to make students industry-ready. These programmes bridge the gap between academia and industry, equipping learners with practical competencies, technical expertise, and professional readiness.

At the core of our student-centric approach is a strong and structured mentoring system. Each student is guided and supported through continuous academic and personal mentoring, ensuring individual attention and sustained progress. Complementing this, the college provides the services of an in-house counsellor to support students' emotional well-being, helping them navigate academic pressures and personal challenges with confidence. The college actively promotes innovation and entrepreneurship. Our MSME-approved Incubation Centre provides a platform for aspiring entrepreneurs to transform ideas into viable start-ups, supported by mentorship and institutional resources.

Research and creativity are integral to our academic culture. Our students have brought laurels to the institution through notable achievements at Research Conventions, Youth Festivals, and various intercollegiate competitions, reflecting a spirit of inquiry and excellence. Infrastructure plays a critical role in enabling quality education. The college is equipped with state-of-the-art IT laboratories, a well-stocked and digitally enabled library, and modern audio-visual rooms that enhance the teaching-learning experience.

Beyond academics, we offer a wide spectrum of student development programmes aimed at nurturing leadership, communication skills, ethical values, and social responsibility. We believe education must shape not only careers but also character. As we move forward, Sheth N.K.T.T. College remains committed to fostering an environment that is inclusive, progressive, and future-ready. I invite students to be part of this dynamic journey, one that promises growth, opportunity, and the pursuit of excellence.

Dr. Dilip Patil

Principal

ABOUT THE COLLEGE

Sheth T.J. Education Society, established in 1949, was founded by visionary entrepreneurs and philanthropists with a mission to serve society through education.

Over the years, the society has made significant contributions to the field of education and is responsible for shaping the academic journey of over 5,000 students annually across its institutions.

Sheth N.K.T.T College of Commerce, established in August 1990, was further expanded in 1993 with the addition of Sheth J.T.T College of Arts, evolving into a distinguished multi-faculty higher education institution. Currently, the college has an enrollment of over 4000 students.

The college has been recognized for its commitment to excellence in education, reaccredited with a B++ Grade (4th Cycle, CGPA-2.91) from the National Assessment and Accreditation Council (NAAC). Additionally, it has been conferred autonomous status, effective from the academic year 2024-25, further enhancing its reputation as a premier institution.

The institution offers a diverse range of programs, including fifteen undergraduate (UG) programs and seven postgraduate (PG) programs, catering to both traditional and emerging fields such as B.Sc. (Data Science), B.Sc. (AI and ML) and B.Sc. (Computer Application), B.Sc. in Fashion Design, B.Sc. in Interior Design, B.Sc. in Cloud Computing, B.Sc. in Cyber Security (Certified by Delloitt), PGDSAI (Post Graduate Diploma in Statistics with AI), B. Com (Banking and Insurance) + CFP (Certified Financial Planner). Additionally, the college provides 30+ skill-based, value added and diploma courses aimed at equipping students with practical and industry relevant skills.

The college also has two Research Centers in the disciplines of Commerce and Economics, fostering a strong research culture. Furthermore, it features a state-of-the-art Incubation Centre, sanctioned by MSME, which offers entrepreneurs access to resources, mentorship and networking opportunities to bring their ideas to life.

The Learning Resource Centre (LRC), which serves as a knowledge hub, is fully automated with SOUL 3.0 software and enhanced by the integration of Drilbit plagiarism detection software, providing robust support for research and academic excellence.

Additionally, the college has a well-equipped Gymkhana promoting physical and mental well-being through holistic practices and contributing to the overall development of its students and staff.

The college believes in strengthening its legacy of academic excellence by aligning traditional values with future-ready education. With autonomous status, a diversified program portfolio, and the introduction of industry-relevant courses, the institution is strategically positioned to meet evolving academic and professional demands. Its focus on research, innovation, skill development, and holistic well-being ensures the creation of competent, responsible, and socially conscious graduates. Moving forward, the college remains committed to fostering an ecosystem that nurtures intellectual growth, ethical grounding, and global competitiveness.

ABOUT AUTONOMY

Sheth NKTT College has been conferred with autonomous status from the academic 2024-25 by the University Grants Commission. Colleges with autonomous status have the authority to design their own curricula, conduct examinations, and evaluate students independently, while still being affiliated with a university. Autonomous status provides colleges with greater academic freedom and flexibility to innovate in their teaching and research methodologies.

With autonomy the college can now design its own curriculum, research programs, and teaching methodologies. Autonomy allows us to streamline administrative processes, respond more effectively to changing needs, and implement policies tailored to their unique circumstances.

We can focus on improving the quality of education and research, leading to better outcomes for students, faculty, and the community.

The college can promote innovation and entrepreneurship by facilitating collaborations with industry.

Autonomy can help the college to become more competitive internationally by enabling us to forge partnerships with leading institutions, attract top talent, and participate in global research. We can now better engage with their local communities, addressing regional needs and contributing to economic and social development.

Overall, autonomy status has empowered the college to fulfil its missions more effectively, benefiting students, faculty, staff, researchers, policymakers, and society at large. The process of autonomy will be implemented for all UG and PG programmes run by the college in the following manner:

Classes	Implementation	Examination & Evaluation
First Year	NEP 2020 with syllabus designed by BoS of the college	60: 40 pattern
Second Year	NEP 2020 with syllabus designed by BoS of the college	60: 40 pattern
Third Year	NEP 2020 with syllabus designed by BoS of the college	60: 40 pattern
PG Part -I	NEP 2020 with syllabus designed by BoS of the college	50: 50 pattern
PG Part -II	NEP 2020 with syllabus designed by BoS of the college	60: 40 pattern

EQUAL OPPORTUNITY CELL

The Equal Opportunity Cell of the college is committed to fostering an inclusive and supportive environment for all students. It works to ensure that every individual, irrespective of caste, creed, gender, religion, or socio-economic background, has access to equal opportunities in academic, co- curricular, and extracurricular activities. The Cell actively promotes awareness about equity and diversity, addresses grievances related to discrimination, and organizes workshops, seminars, and counseling sessions to empower students. By upholding the values of fairness and respect, the Equal Opportunity Cell plays a vital role in nurturing a campus culture that celebrates diversity and encourages holistic growth.

STUDENT WELFARE: GROUP INSURANCE SCHEME

Group Insurance Scheme for students has been introduced from the academic year 2003-04. The risk covered would include death, loss of limbs, and total / partial permanent disablement. Details can be made available on request. The insurance scheme will be brought into effect from 1st September every year for those who will seek admission upto 25th August in each academic year. Those who get admission after 25th August will be covered under the scheme after the actual deposit of their Insurance premium to the Insurance Company. A student is insured for one academic year only.
