Syllabus: Under NEP 2020 w.e.f Academic Year 2024-25

Programme Name: B.Com. Semester: II	
Course Category: Major	
Name of the Dept: Accountancy	
Course Title: Accountancy & Financial Management-II	
Course Code: BCA201 Course Level: 4.5	
Type: Theory / Practical	
Course Credit: 4	
Hours Allotted: 60 Hours	
Marks Allotted: 100 Marks (40 Marks Internal and 60 Marks External)	
Course Objectives: <ol style="list-style-type: none">1. To enable learners to understand accounting procedures and methods for converting Single Entry System into Double Entry System.2. To make learners aware in maintaining the records in the books of Head office related to Branches.3. To introduce the concept of Hire Purchase System & Accounting for Hire Purchase transaction4. To learn the accounting software using Tally ERP.9	
Course Outcomes: <p>CO1: Learners will acquire knowledge of accounting procedures and methods for converting Single Entry System into Double Entry System.</p> <p>CO2: Learners will be able to maintain records in the books of the Head Office pertaining to Branches.</p> <p>CO3: Learners will understand the Hire Purchase System and accounting procedures related to Hire Purchase transactions.</p> <p>CO4:Learners will be able to create and manage company accounts using Tally ERP 9</p>	
Description the course: (Including but not limited to)	Students will gain proficiency in handling complex accounting scenarios, applying relevant principles and techniques to accurately record and report financial information in each of these specialized areas.

Syllabus: Under NEP 2020 w.e.f Academic Year 2024-25

Accountancy & Financial Management-II

Unit No.	Course Content	Hours
I	Accounting from Incomplete records	15
II	Branch Accounts	15
III	Accounting for Hire Purchase	15
IV	Accounting Software Tally Prime ERP	15
	Total Hours	60

Syllabus Description

Unit No.	Course Design	Hours
1	Accounting from Incomplete Records <ul style="list-style-type: none">• Introduction• Problems on preparation of final accounts of Proprietary Trading Concern (conversion method)	15
2	Branch Accounts <ul style="list-style-type: none">• Meaning/ Classification of branch• Accounting for Dependent Branch not maintaining full books• Debtors method, Stock and Debtors method	15

3	Accounting for Hire Purchase <ul style="list-style-type: none"> • Meaning • Calculation of interest • Accounting for hire purchase transactions by asset purchase method based on full cash price • 4 Journal entries, ledger accounts and disclosure in balance sheet for hirer and vendor (excluding default, repossession and calculation of cash price) 	15
4	Accounting Software-Tally Prime ERP <ul style="list-style-type: none"> • Introduction of Tally Prime ERP software • Features of Tally Prime • Company creation • Groups and Ledger creation • Stock item creation • Voucher entry • Purchase, sale invoice creation • Display Day book, sales, purchase, journal register, reports 	15

Sheth J.T.T College of Arts, Thane (W)
(Autonomous)
Syllabus: NEP 2020 w.e.f 2024-25

Programme Name: B.Com.		Semester: II
Course Category: OE		
Name of the Dept: Mathematics and Statistics		
Course Title: Mathematical and Statistical Techniques-II		
Course Code: BCM204	Course Level: 4.5	
Course Credit: 04	Total Marks: 100	
Course Objectives: 1: To understand the simple interest, compound interest and annuity in the investments. 2: To understand the meaning of derivative and its applications. 3: To identify the strength and direction of a linear relationship between two variables and to predict how much a dependent variable change based on adjustments to an independent variable. 4: To understand the concept and purpose of index numbers. 5: To study past behavior of characteristics and to forecast the future changes.		
Outcomes of course: Learners will be able to CO1: understand the importance of interest and annuity in personal finance and business applications. CO2: understand the idea of derivatives. Solve basic problems involving concepts from economics such as marginal cost, marginal revenue, and elasticity of demand. CO3: develop critical thinking skills to evaluate the strength and validity of relationship of variables and to predict the value of unknown variable. CO4: develop analytical and problem-solving skills using time series and probability distribution.		
Relevance:		

- Understanding interest rates helps individuals make informed decisions about saving accounts, loan, and investment products.

Scope:

- Learners can apply the concept and methods in real life situation of commerce and business.

Unit No.	Content	Hours
I	Interest and Annuity <ul style="list-style-type: none"> • Simple interest, Compound interest, Present value, Future value. • Annuity Immediate and its Present Value, Future Value, Equated Monthly Installments (EMI) using reducing balance method and Amortization of loans. • Financial functions interest, present value, future value using excel. 	15
II	Derivative and Application of Derivative <ul style="list-style-type: none"> • Derivative as rate of measures. • Total cost function, Marginal cost, Total revenue, Marginal revenue, Elasticity of demand Applications of derivatives in Economics and Commerce. 	15
III	Simple Correlation and Regression <ul style="list-style-type: none"> • Meaning, Types of correlation, Methods of calculation of coefficient of correlation – Scatter Diagram Method, Karl Pearson and Spearman's Rank Correlation Coefficient without repeated values. • Meaning and concept of Regression Equations, Regression Coefficients. Finding the equation of Regression lines by method of Least squares and its applications. 	15
IV	Time Series and Probability Distribution <ul style="list-style-type: none"> • Concept and components of a Time Series, • Estimation of trend using moving average method and Least squares method Discrete Probability Distribution (properties and applications only, no derivations expected) <ul style="list-style-type: none"> • Binomial distribution • Poisson distribution Continuous Probability Distribution (properties and applications only, no derivations expected) <ul style="list-style-type: none"> • Normal distribution 	15

Hours Allotted: 30 Hours	
1. Marks Allotted: 50 Marks	
Course Objectives: <ol style="list-style-type: none"> 1. To make aware the students about NSS ideology ii. To make students understand Youth Development Program in India and Role of Youth Leaders 	
Course Outcomes: <ol style="list-style-type: none"> 1. Students will be inspired from social reformer 2. Students will understand social issues in India. 	
<p>Introduction: The NSS introduces students to the concept of voluntary community service as a means of personal development and nation-building. It typically involves engaging in various activities such as environmental conservation, literacy campaigns, health awareness drives, and disaster relief efforts.</p> <p>Relevance and Usefulness: In today's society, where there is a growing need for civic engagement and social cohesion, the NSS plays a crucial role. It instills a sense of civic duty and social responsibility in young people, empowering them to contribute positively to their communities and society at large.</p> <p>Application: Through hands-on participation in community service projects, NSS volunteers gain practical experience in leadership, teamwork, problem-solving, and communication skills. They also develop a deeper understanding of social issues and learn how to address them effectively through grassroots initiatives.</p> <p>Interest and Connection with Other Courses: The NSS intersects with various academic disciplines such as social work, public administration, sociology, and development studies. It provides students with opportunities to apply theoretical knowledge in real-world settings and reinforces the importance of active citizenship and social justice.</p> <p>Demand in the Industry: Employers increasingly value candidates who demonstrate a commitment to community service and civic engagement. Participation in the NSS signals to potential employers that an individual is socially conscious, proactive, and capable of working collaboratively towards common goals.</p>	

Job Prospects: Graduates who have participated in the NSS often find themselves well-equipped for a wide range of career paths. They may pursue roles in the nonprofit sector, government agencies, corporate social responsibility departments, international development organizations, or even entrepreneurship ventures with a social impact focus.
