IQAC

2.5.1 Mechanism of internal / external assessment is transparent and the grievance redressal system is time bound and efficient

During the pandemic

- The college had adopted an online internal and external assessment system using the Learning Management System.
- Internal evaluation included tests and assignments followed by an online discussion with the students.
- Students were asked to submit their project / practical journal on Google Classroom and Drive.
- Subject teachers evaluated the project / practical journal and PowerPoint presentation through the Zoom and Google meet.
- Departments conducted online preliminary examinations for final year students.
